

## How to obtain the Opponent's coach contact information

One of the benefits of the schedules is that it keeps coaches contact information secure. One of the drawbacks is that it is not so intuitive to find. Please follow these step by step instructions, with screenshots, to locate that information.

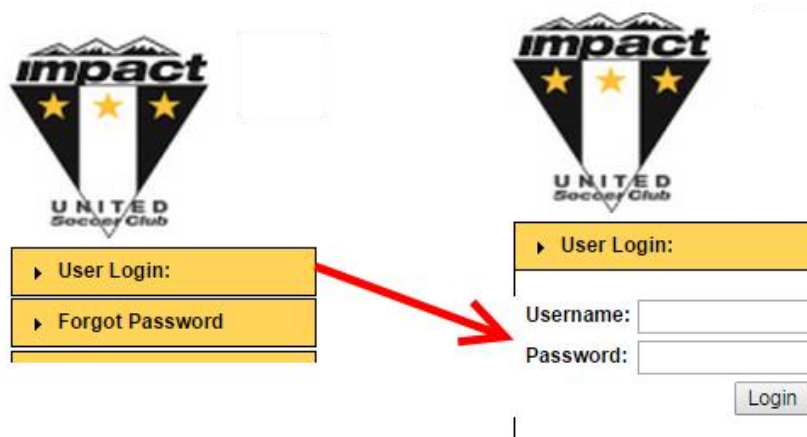

### Please take a moment to familiarize yourself with this process.

If you have any issues accessing this information, email our Registrar at [RecRegistrar@ImpactUnited.com](mailto:RecRegistrar@ImpactUnited.com) for help.

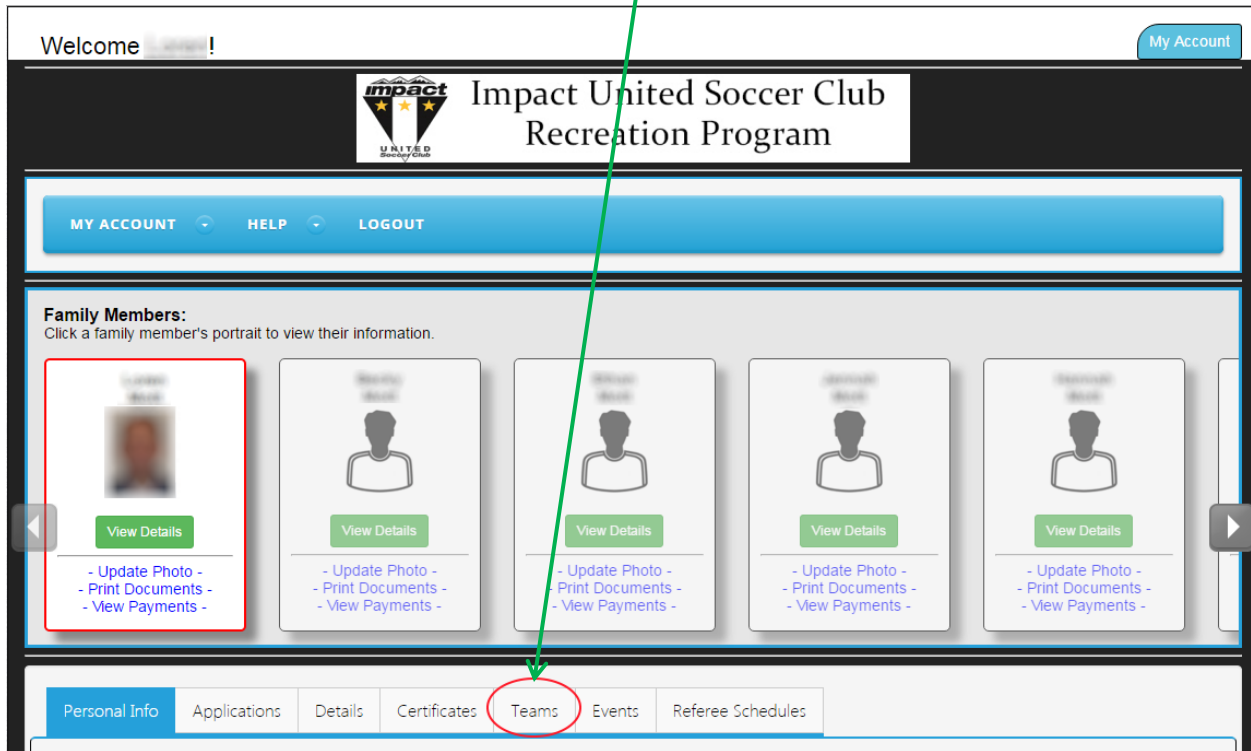

1. Login as a Coach or Team Administrator.
  - a. Start by going to [www.ImpactUnited.com](http://www.ImpactUnited.com).
  - b. In the Quick Links section on the far Left of the webpage, look down in the RECREATION PROGRAM to the User Login Account Link.

2. That will take you out to the Affinity Sports main page. In the upper right corner, click the User Login to open the Username/Password input boxes. Login.

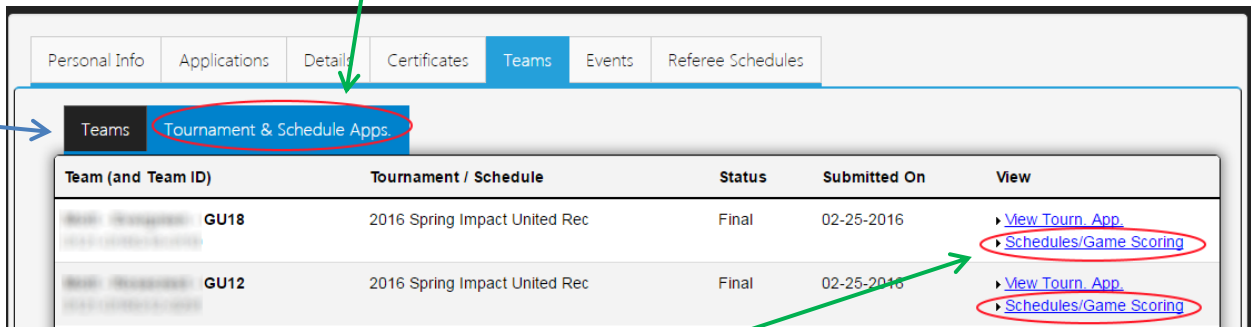

- Look down in the lower pane and click the “Teams” tab. Only the Coach or Administrators assigned to the team will have access to this information.

- Then click the “Tournament & Schedule Apps.” tab.

FYI: This Teams tab is where you can view the team roster

- Click the “Schedules / Game Scoring” link on the right for the applicable team you coach. This will take you to the schedule matchups view without times and locations.

Remember: we don’t score games and this is not the true schedule – just the schedule matchups for your team.
